Nominations for Texas PTA Life Membership

There are so many deserving individuals serving and helping our students at Brinker Elementary School. Please take a moment to honor a teacher, an administrator, a volunteer or an individual in our business community.

What is Life Membership?

It is one of the highest honors presented to individuals for outstanding service to children and youth. It is a wonderful way to publicly recognize individual contributions to our school or children and youth, in general. Recipients of Life Memberships will be announced in February and honored sometime in late February 2009 at the annual Life Membership Banquet at Southfork Ranch.

Nominee Qualifications:

The ***ONLY*** requirement for receiving this honor is that the recipient has made worthwhile contributions to the well being of children and youth. He or she does not have to be a member of the PTA nor must the service for which this honor has been bestowed be connected with the PTA.

How do I submit a nomination?

Just fill out the information below and return it to the school office in a sealed envelope to the attention of **Rhonda Snyder** by **Friday, December 5, 2008.** Parents, faculty members and community members may submit nominations to the committee. Forms may also be e-mailed to the address below as an attachment.

From: _____

Person(s) submitting the nomination Phone E-mail

Life Member Nominee: _____

Name Phone Address, if known

Nominee's contributions to Brinker's students:

Other volunteer activities that serve children and youth:
